CLERK  
US BANKRUPTCY COURT  
DISTRICT OF DELAWARE

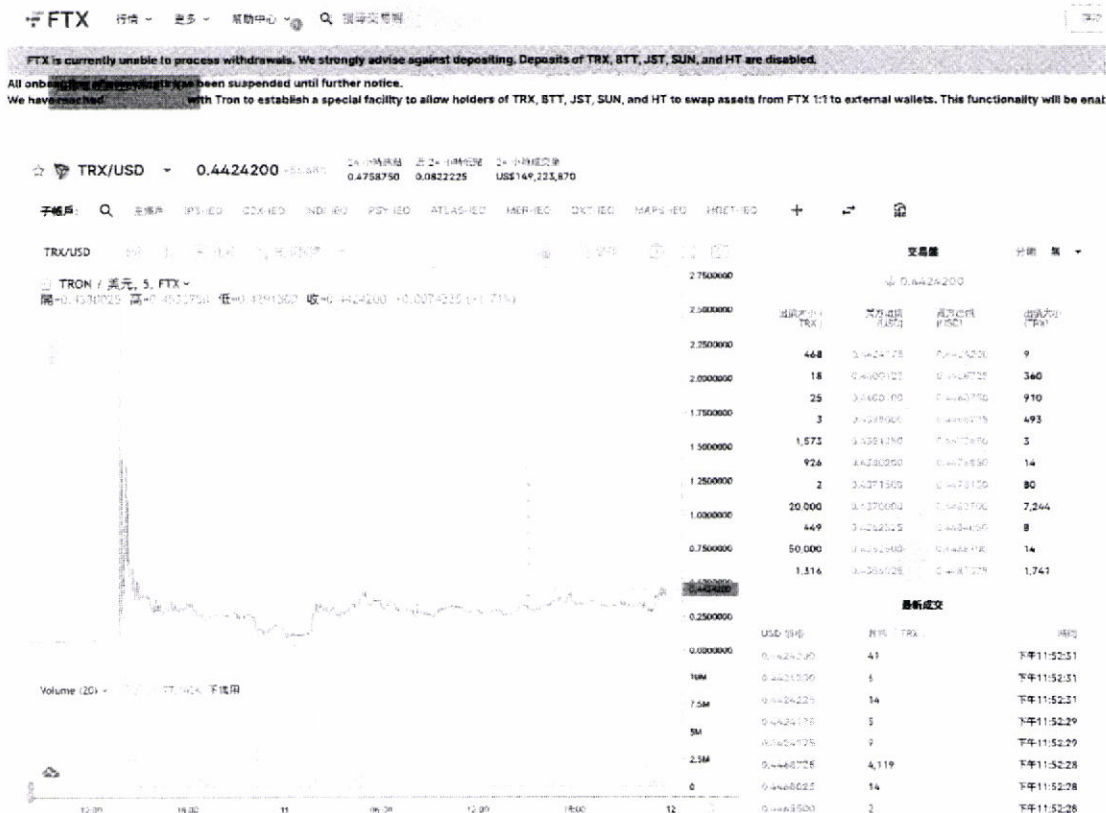

Dear Sirs

In accordance with FTX Trading Ltd Chapter 11

Case No. 22-11068 (JTD) Digital Assets Conversion Table.

Objection: We request that TRX coins must be recognized as claims at \$0.44.

Reason: the asset price should refer to the customer's currency price in the FTX wallet on November 11, 2022. The TRX price on that day was last US\$0.44, but the Digital Assets Conversion Table was based on US\$0.0556107 from other unrelated cryptocurrency exchanges. To determine the value, most of us bought TRX between US\$0.25 and US\$0.44. The rise in the TRX currency at that time was also caused by FTX's official announcement. Please redefine the TRX price according to the same standards as other currencies.
